Dear Parent,

Greetings from Educational Initiatives! We, at EI, envision that children everywhere 'learn with understanding', and we hope to achieve this through deep emphasis on research and research-driven assessment tools like Detailed Assessment (DA).

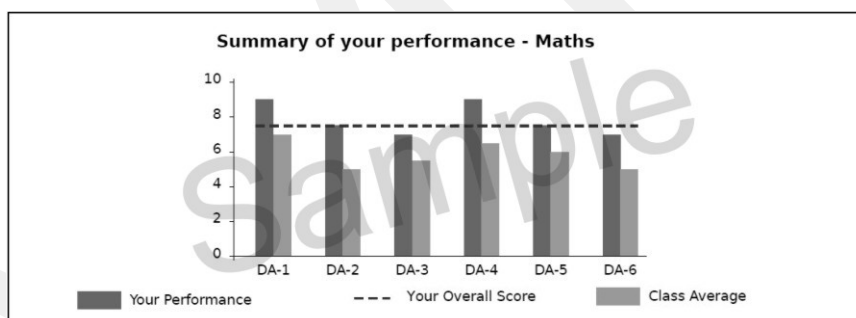

As a parent, your concern to be aware of your child's academic progress is warranted. This report aims at providing you a subject-wise overview of your child's performance as part of the program. Valuable performance insights for each subject are provided through three components:

1. Performance Summary Table: Containing test information, your child's scores in each and his/her overall subject score. Here's a sample:

Test No.	Exam Code	Month	Your Score	Test Topics
DA-1	408414	Jul-13	9.0/10	H.C.F and L.C.M; Indices
DA-2	215223	Aug-13	7.5/10	Fractions; Perimeter and Area
DA-3	382522	Sep-13	7.0/10	Profit, Loss, Discount; Lines and angles
DA-4	683059	Dec-13	9.0/10	Percent and Percentage

DA-6	630045	Mar-14	7.0/10	Revision
		Overall	7.5/10	

Scores are rounded-off to the nearest 0.5

2. Performance Summary Graph: Graphical representation of scores along with class averages to understand the significance of your child's scores better. Here's another sample:

3. Concept Area Analysis: Break-up of your child's DA performance into key concept areas, showing the response accuracy for each and **identifying weakest areas for academic attention**, as shown in the sample below:

Key Areas Tested	Questions Tested	Answered Correctly	% Correct	% Correct Graph
Advanced Algebra	5	2	40%	
Area & Perimeter	10	8	80%	
Basic Algebra	37	24	65%
